# Building STRONG CHURCHES

America desperately needs strong fundamental churches. Our churches must intensify their commitment to equip believers for ministry in a dark and dying world. For the past fourteen years the **Sunday School Teacher's Convention** has been helping local churches in the Northeast to train Christian servants who want to excel in their service for the Lord.

This year the convention is expanding its goal. We hope to help every church ministry by planning a variety of workshops to improve leader skills in many, many areas. Pastors, staff members, ushers, deacons, youth workers, bus workers, nursery workers can all benefit. Of course we have not neglected the Sunday School. It is vital to grow strong Christians and healthy churches. With the increased scope comes a new name, **Northeast Leadership Conference**.

We're excited and we invite you to come this June to join the excitement. In fact, plan to bring someone with you!  
—Pastor Jim Townsley

He serves as the Vice President of the Tennessee Association of Christian Schools and is on the Cooperative Board of the Sword of the Lord. One of the most recent avenues of church ministry development at Franklin Road has been partnership with *FirstBible International*, a Bible printing and translation ministry.

Dr. Norris is a well-known preacher and conference speaker who brings to our meeting a wealth of leadership wisdom and experience.

Dr. Abb Thomas is the founder of Master Clubs, the local church Bible club program used to reach boys and girls across America. Bro. Thomas travels nationwide training, encouraging, and motivating Children's Workers to reach the next generation for Christ.

Dr. Earl Jessup has been in the ministry for 34 years. He currently serves as the General Director of Baptist Church Planting Ministry. BCPM was founded fifteen years ago and has had the opportunity to partner with churches all across the United States and in several foreign countries to start over sixty churches. In turn, those churches have reached hundreds of souls for Christ and supported church planting mission efforts here and abroad.
